DUBAI + LONDON

najdstar.com

GLOBAL FREIGHT SOLUTIONS

Built around your shipment.

Kingdom Freight provides air, sea and land transport services, supported by logistics, warehousing, moving and packing capabilities.

OUR MISSION

“Committed services with excellence across air, sea and land transport.”

AIR

Air Freight

Worldwide cargo solutions with airline relationships, space commitments and time-sensitive options.

SEA

Ocean Freight

FCL, LCL, break bulk, consolidation and vessel chartering across international routes.

ROAD

Logistics

Cross-border GCC shipments, supply chain support, fulfillment, storage and distribution.

Core capabilities

Warehousing

Moving

Packing

Customs

Consolidation

Worldwide air cargo services tailored to customer needs, backed by established airline relationships and permanent space commitments.

- Air import and export, airport-to-airport and door-to-door options
- First available flight and time-sensitive services
- Special cargo handling and export documentation
- Customs clearance, legalization, Certificate of Origin, Carnet and insurance
- International and domestic services; loose cargo and consolidation
- Charter and split-charter services

Ocean Freight

Flexible sea cargo solutions from less-than-container loads through full vessel chartering, supported by strong relationships with major shipping lines.

- Import and export by sea with reliable sailing schedules
- Full Container Load (FCL), Less Container Load (LCL), break bulk and consolidation
- Port-to-port, door-to-door and other routing options
- Time-sensitive and special cargo handling
- Documentation, customs clearance, legalization and insurance
- Chartering and split-charter vessel services

Flexible, value-added logistics services designed around operational requirements and shipment needs.

Transport & forwarding

Air, sea and road services; critical shipping solutions; forwarding; consolidation; cross-border LTL/FTL within GCC countries.

Supply chain support

Returns management, customs brokerage, supply chain consulting and design, order management, fulfillment and transportation budgets.

Storage & distribution

Warehousing, storage, distribution and coordinated fulfillment support.

FROM ORIGIN TO DESTINATION

**One network.
Multiple modes.**

STORAGE & DISTRIBUTION

Secure space. Flexible terms.

Cost-effective storage for properly packed items, with short- and long-term options in a safe, secure and clean facility.

WAREHOUSING SERVICES

Storage that supports the next move.

Storage

Short- or long-term storage, inventory control, de-consolidation and secure handling.

Preparation

Packing and crating services to prepare cargo for storage or onward transport.

Distribution

Distribution and delivery services coordinated with your broader logistics requirements.

Safe. Secure. Clean.

Flexible storage arrangements based on your need and duration.

Moving, managed with care.

Reliable, personalized and prompt moving services for local and international requirements.

Our team focuses on customer satisfaction, with professional packers and drivers working to the specific needs of each move.

Packing & carting

Packing and carting support for moving requirements.

Office moves

Relocation support for small and large offices.
